

“Miller’s songs take an optimistic but ferocious approach to the question of how it feels and what it means to be a young woman in 2019. Her incandescent attitude shines through on every song, including her most recent: a collab with 6LACK and irreverent self-love break-up song (in the spirit of “Thank U, Next”) called “It’s Not U It’s Me.” - *Paper Magazine*

“Predictions: 100 People Taking Over 2019”  
– *Paper Magazine*

“hitting her momentum in the music game” - *Bustle*

“like an ultraviolet ray, Miller’s rise into 2019 can’t be eclipsed”  
- *NYLON*

“The grind truly never stops for Ms. Miller, and we can’t wait to see what’s next.” - *L’Officiel*

“when Miller lines up her vocals with the staccato of her background track, the effect leaves you clutching onto her every word.”  
- *Earmilk*

“6lack fans were also blessed with “its not u its me,” his collaborative song with singer-songwriter Bea Miller. The track was produced by Mike Sabath and is said to reflect Miller’s next phase of her career.” - *Complex*

“it’s not u it’s me”... it’s a stone-cold bop”- *Idolator*

Bea Miller’s latest single “it’s not me it’s u” has amassed over 25 million streams to date, and she has garnered over one billion collective streams.
